Asia — Answer Key

Did you know?

- Asia is both the largest and most populous continent, home to more than half the world's population.
- Mount Everest, the tallest mountain above sea level, sits on the border between Nepal and China.
- The Dead Sea, bordering Israel and Jordan, is so salty that swimmers float unusually high in the water.
- Asia contains both the highest point on Earth's surface, Mount Everest, and one of its lowest, the Dead Sea shoreline.
