Bible Words & Worship — Answer Key

Did you know?

- "Hallelujah," a word still used in worship today, comes directly from a Hebrew phrase meaning "praise the Lord."
- Exegesis and hermeneutics are the real technical terms scholars use for the careful interpretation of biblical texts.
- The book of Psalms was originally composed as songs and poems, many intended to be sung or performed with instruments.
- Words like "justification," "sanctification" and "atonement" are precise theological terms, each referring to a distinct concept in Christian doctrine.
