## Did you know?

- The Bible is actually a collection of many individual books, 66 in most Protestant editions, written by multiple authors over centuries.
- The Bible is traditionally divided into the Old Testament and New Testament, reflecting different historical periods and covenants.
- The book of Psalms is the longest book in the Bible by chapter count.
- Different Christian traditions include a slightly different set of books, with Catholic and Orthodox Bibles containing several additional texts not found in most Protestant versions.
