Christmas Decorations — Answer Key

Did you know?

- Tinsel was originally made from thin strips of real silver before cheaper materials became standard.
- Electric Christmas lights were first used in the 1880s, not long after the invention of the practical light bulb itself.
- Wreaths, often hung on doors at Christmas, have a much older history as a symbol used in various cultures and seasons.
- Ornament collecting has become a hobby in its own right, with some vintage or handmade pieces considered valuable collectibles.
