Did you know?

- The tradition of Christmas gift-giving is often linked back to the biblical story of the wise men presenting gifts to the infant Jesus.
 - Wrapping paper as a widely available commercial product didn't become common until the early 20th century.
 - Retailers see one of their largest sales periods of the year in the weeks leading up to Christmas.
 - Gift-giving customs, including who gives to whom and when, vary noticeably between different countries and family traditions.
