Christmas Trees — Answer Key

Did you know?

- The tradition of decorating an evergreen tree for Christmas is often traced back to 16th-century Germany.
- Evergreen trees stay green year-round because their needles are adapted to retain moisture and resist freezing.
- Christmas tree farms specifically grow and shape trees over several years before they're ready for harvest.
- Artificial Christmas trees became widely available in the mid-20th century as an alternative to real cut trees.
