Football — Answer Key

Did you know?

- American football evolved from early versions of rugby and soccer in the late 1800s.
- A football field is 100 yards long between end zones, with additional end zone space at each end.
- The Super Bowl, the championship game of the NFL, is consistently one of the most-watched televised events in the United States each year.
- Specific positions in football, like quarterback and linebacker, each carry distinct roles and rules within the sport's overall strategy.
