Friendship — Answer Key

Did you know?

- Many schools specifically frame Valentine's Day card exchanges around friendship and inclusion, so every classmate is included, not just romantic pairs.
- Some countries and communities observe a separate, distinct Friendship Day at a different time of year, apart from Valentine's Day itself.
- Real research links strong friendships to measurable benefits for mental health and overall wellbeing.
- Friendship and romantic love are recognized in psychology as genuinely distinct kinds of bonds, even though both involve real trust and affection.
