Fruits of the Spirit & Virtues — Answer Key

Did you know?

- The nine fruits of the Spirit listed in the book of Galatians are love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.
- Older English translations, like the King James Version, use the word "temperance" where many modern translations say "self-control."
- These qualities are described in the text as a single unified "fruit," not separate individual fruits, despite the list containing nine traits.
- Concepts like patience and self-control appear as recurring themes throughout multiple books of the Bible, not just in this one specific passage.
