Haunted House — Answer Key

Did you know?

- Commercial haunted house attractions became especially popular in the U.S. starting in the mid-20th century.
- Many real historic buildings marketed as haunted attractions lean into local ghost stories and legends for their appeal.
- Professional haunted attraction designers often use lighting, sound and tight spaces specifically to build tension and surprise.
- Some famous haunted house stories have been thoroughly investigated and debunked, though the legends often persist regardless.
