New Year — Answer Key

Did you know?

- The Gregorian calendar, the one in use today, was introduced by Pope Gregory XIII in 1582; Britain and its American colonies did not adopt it until 1752.

- January is named after Janus, the Roman god of doorways and beginnings, who is shown with two faces looking at the past and the future.

- The Times Square ball drop in New York City began in 1907, and the ball starts its descent at 11:59 p.m.

- In Spain, people eat twelve grapes at midnight, one for each chime of the clock, to bring luck for each month of the coming year.
