Did you know?

- The modern Olympic Games began in 1896 in Athens, reviving a tradition from the ancient Olympics held in Greece.
- The Olympics alternate between Summer and Winter Games, each held every four years but staggered two years apart.
- The Olympic rings represent the five inhabited continents joined together in competition, not any specific medal count or country.
- Some sports have been added to or removed from the Olympic program over the decades as the Games' scope has evolved.
