Palm Sunday — Answer Key

Did you know?

- Palm Sunday marks the beginning of Holy Week, the week leading up to Easter.
- In many churches, palm branches are blessed and given to worshippers, with some later burned to make the ashes used the following year on Ash Wednesday.
- Since palm trees do not grow in every climate, some churches have historically substituted other greenery, like olive or yew branches, for actual palms.
- The crowd's shout of "Hosanna," described in the Gospel accounts of the event, is a word of praise rather than simply a greeting.
