Did you know?

- The U.S. Interstate Highway System, begun in the 1950s, was one of the largest public works projects in the country's history.
- Road trip playlists and audiobooks became especially popular once car stereos made it easy to control what was playing.
- Rest stops along major highways are specifically spaced to give drivers regular opportunities to rest on long journeys.
- Some of the world's most famous road trip routes, like Route 66, are no longer official highways but remain popular for their historic appeal.
