Did you know?

- The modern image of Santa Claus draws partly from Saint Nicholas, a real historical bishop known for his generosity.
- The specific image of Santa in a red suit was popularized significantly through 20th-century advertising, though it existed in earlier forms too.
- Different countries have their own distinct gift-giving folklore figures, not all called Santa Claus.
- The idea of Santa's workshop at the North Pole became especially popular through 19th and 20th century American illustrations and stories.
