Spanish Food — Answer Key

Did you know?

- Patata is the usual word for potato in Spain, while most of Latin America says papa.
- A tortilla is a different food depending on where you are: in Spain a tortilla española is a potato omelette, in Mexico a tortilla is a flat bread of corn or wheat.
- Spanish has the saying más bueno que el pan, literally kinder than bread, for a very kind person.
- Spanish often names the fruit and its tree with the same stem: manzana is the apple and manzano is the apple tree.
