Did you know?

- Organized summer camps in the U.S. date back to the late 1800s, originally aimed at giving city children time outdoors.
- Many summer camps are specifically designed around a theme, from traditional outdoor skills to specialized subjects like science or the arts.
- Camp counselors are often responsible for both activity instruction and general supervision, a dual role central to how most camps operate.
- Some camp traditions, like campfire songs and color wars, have been passed down and adapted across generations of campers.
