Tennis — Answer Key

Did you know?

- Tennis scoring uses the unusual sequence of love, 15, 30 and 40, with origins that historians still debate.
- The four Grand Slam tennis tournaments are the Australian Open, French Open, Wimbledon and the US Open.
- Wimbledon, the oldest tennis tournament in the world, still requires players to wear predominantly white clothing.
- A tennis match can be played as singles or doubles, with slightly different court boundaries used for each.
