Trick or Treat — Answer Key

Did you know?

- The specific phrase "trick or treat" is believed to have become widespread in the U.S. by the 1930s and 1940s.
- Some historians trace trick-or-treating's roots to older European traditions of going door to door for food or coins.
- Individually wrapped candy became standard for trick-or-treating partly due to safety concerns that grew in the mid-20th century.
- Trick-or-treating customs and exact traditions can vary significantly between different countries and regions.
