Valentine's Gifts — Answer Key

Did you know?

- Jewelry sales and spending measurably increase around Valentine's Day, according to retail industry data tracked every year.
- Engagement proposals genuinely spike in frequency around this specific holiday, more than most other days of the year.
- Personalized gifts, items customized with a name, date or specific message, have grown into their own significant part of the gift market.
- This puzzle focuses on gifts not already covered elsewhere in this category, like jewelry and gift cards; chocolate, teddy bears and roses each have their own dedicated puzzle.
