---

## Did you know?

- Vampire folklore appears in many cultures throughout history, long before the modern image popularized by Bram Stoker's novel "Dracula."
- Stoker's Dracula, published in 1897, heavily shaped the modern vampire archetype still used in film and fiction today.
- Common vampire traits in fiction, like an aversion to garlic or sunlight, vary significantly between different folklore traditions and stories.
- Some historical fears about vampires are believed to stem from misunderstandings about diseases and the natural process of decomposition.
