Veterans Day — Answer Key

Did you know?

- Veterans Day falls on November 11 because the armistice that ended the fighting in World War I took effect at the 11th hour of the 11th day of the 11th month of 1918.

- It was first called Armistice Day; Congress changed the name to Veterans Day in 1954 so that it would honor veterans of all wars.

- The U.S. Department of Veterans Affairs writes Veterans Day without an apostrophe, because the day does not belong to veterans but honors them.

- The Tomb of the Unknown Soldier at Arlington National Cemetery has been guarded around the clock, every day of the year, since 1937.
