Video Game Vocabulary — Answer Key

Did you know?

- The best-selling video game of all time is Minecraft, having sold over 300 million copies across all platforms.
- The term "respawn" comes from early multiplayer games needing a way to describe a player reappearing after being defeated.
- Esports tournaments now fill entire stadiums, with some prize pools exceeding tens of millions of dollars.
- The first known video game, a simple tennis simulation, was created in 1958 on an oscilloscope, decades before home consoles existed.
